

access to reproductive healthcare hangs in the balance.

This issue is deeply personal to the women I represent in New Hampshire, and the last thing they want to see is a politician or a judge taking away their bodily autonomy. We are better off as a country with Roe as the law of the land. It supports the health and economic well-being of women and families. Still, we know that legislatures and Governors from Mississippi to Texas to New Hampshire are enacting extreme laws that punish doctors and take away women's rights. This must be stopped.

That is why, regardless of what happens in this case, it is essential that the Senate joins the House in passing the Women's Health Protection Act. My constituents and the American people want abortion to be safe, legal, and accessible. This legislation will uphold that concept for the country even if the Court abandons it.

OPPOSING THE ELIMINATION OF CASH BAIL

(Mr. CLINE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CLINE. Madam Speaker, increasingly across this Nation and here in Washington, the voices of victims are being drowned out by radicals on the left seeking to eliminate cash bail. These people would rather see criminals walk free on our streets than see the rule of law upheld and our communities protected.

Without appropriate incentives to appear before the court, we run the risk of defendants fleeing justice while victims and their families are left with nothing but fear and anguish.

We cannot allow our system to fail them as it did in Waukesha, Wisconsin. Prior to plowing into a Christmas parade, convicted felon and career criminal, Darrell Brooks, was released on an inappropriately low \$1,000 bond after being arrested on a slew of charges. That is astonishing to me. With his record, Mr. Brooks' bail should have never been so low, if awarded at all.

So the next time my colleagues across the aisle suggest eliminating the cash bail system, I ask them to think of this tragedy and of the victims. Our bail system keeps criminals off the streets and our communities safe.

NETHERLAND-AMERICA FOUNDATION

(Mr. KILMER asked and was given permission to address the House for 1 minute.)

Mr. KILMER. Madam Speaker, 100 years ago today a group of Dutch Americans, including future President Franklin Delano Roosevelt, established the Netherland-America Foundation to strengthen ties between our two great countries. Over the past 100 years the

Netherland-America Foundation has accomplished this mission through organizing and sponsoring cultural exchange programs on topics as varied as art and science to business, public affairs, and historic preservation.

As the son of a Dutch immigrant, I am honored to cochair, with my colleague Representative HUIZENGA, the bipartisan Dutch Caucus which shares NAF's goals of growing and deepening the exchange of ideas and culture between America and Holland.

A similar message of friendship and goodwill is being delivered to the Dutch Parliament today, speaking to the ever-deepening bond between our two countries and great democracies.

I know I speak on behalf of all members of the Dutch Caucus when I congratulate the foundation on their achievements over the past 100 years and the lasting impact they have had in encouraging the unique friendship between our two countries. I look forward to another century of the U.S. and Netherlands sharing, growing, and working together.

REDBANK VALLEY TRAILS ASSOCIATION

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today to congratulate the Redbank Valley Trails Association for winning the 2021 Thomas Petri Recreational Trails Program Achievement Award. This award recognizes top-notch projects that use recreational trails program funds to improve local trails.

In 2018, the Redbank Valley Trails Association and Allegheny Valley Land Trust completed the Climax Tunnel Rehabilitation project. Because the Redbank Valley Trail is a former rail corridor, much of the trail consists of old bridges and stone archways. To keep the trail functional and safe, restoring the tunnels, bridges, and arches are necessary.

Located in western Pennsylvania, the Redbank Valley Trail is a 51-mile non-motorized trail maintained mainly by volunteers.

Madam Speaker, after spending 30 years in the healthcare field before coming to Congress, I understand the importance of physical activity to maintain a healthy lifestyle. The Redbank Valley Trail is a great option for residents and visitors alike to explore the great outdoors.

Madam Speaker, I am grateful for the Allegheny Land Trust for their dedication to keeping the Redbank Valley Trail healthy and accessible for years to come.

DOBBS V. JACKSON WOMEN'S HEALTH ORGANIZATION

(Ms. LEE of California asked and was given permission to address the House for 1 minute.)

Ms. LEE of California. Madam Speaker, today the Supreme Court is hearing oral arguments for the case *Dobbs v. Jackson Women's Health Organization*. This case is the first time in 50 years that the Court is hearing a case that directly challenges *Roe v. Wade*.

Half of the States in the country are poised to ban abortion entirely if the Court overturns *Roe* through trigger laws. Everyone should have the freedom to make their own reproductive healthcare decisions—not politicians.

Now, I am one of the one in four women who have had an abortion. I remember the days when abortion was criminalized way before *Roe v. Wade*.

Now, Madam Speaker, I survived. But many women, especially Black women, died. We will not go back to the days of unsafe abortions. These lives impact everyone but have a disproportionate impact on Black, Latina, indigenous people, and people of color.

This also is about economic justice, racial equity, and the freedom to make decisions over one's life and one's reproductive healthcare. Abortions must be safe, they must be legal, and they must be accessible. The Senate must pass Congresswoman JUDY CHU's Women's Health Protection Act so we can ensure that we protect the right to safe, legal, and accessible abortions.

RELIGIOUS CONTRACTORS FINAL RULE

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Madam Speaker, I stand in strong opposition to the Department of Labor's attack on religious freedom. The Department of Labor's proposal to rescind protections for religious Federal contractors demonstrates how hostile the Biden administration is to the free exercise of religion when it bucks up against progressive priorities.

Prior to President Trump's rule clarifying the rights and obligations of religious Federal contractors, religious organizations were reluctant to seek Federal contracts. If the rule is rescinded, religious organizations will, once again, be dissuaded from competing for these contracts. This will lead to less competition for Federal contracts, meaning the American people will pay a higher price for Federal projects.

Religious organizations should be able to compete for contracts on a level playing field without having to compromise their faith. The Biden administration apparently disagrees. It is of the utmost importance to protect our very first right—the religious freedom of all Americans—including Federal contractors.

CELEBRATING JOSEPHINE BAKER
